### PROPERTY SUBJECT TO THIS DECLARATION AND ADDITIONS TO EXISTING PROPERTY

Section 1. Property Subject to Declaration. The Subject Property, as heretofore defined, is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration.

Section 2. Additions to Existing Property. The purpose of filing this Declaration is to add the Subject Property to the Existing Property as heretofore defined.

(a) Supplemental Declaration of Covenants and Restrictions. The Subject Property shall constitute additional property within the scope of Article II of the Original Declaration. This Declaration contains essentially the same substance as the Original Declaration and is intended to interlock all rights of all Members of the Association, to the end that all rights resulting to Members of the Association shall be uniform as between Owners of Lots in SWEETWATER COUNTRY CLUB, UNIT-I, PHASE-I; SWEETWATER COUNTRY CLUB, UNIT-II, PHASE-I; SWEETWATER COUNTRY CLUB, SECTION-A, PHASE-I; and SWEETWATER COUNTRY CLUB, SECTION-B, PHASE-I. This Declaration shall in no event revoke, modify or add to the covenants of the Original Declaration or any Supplemental Declarations as they relate to the existing Property.

(b) Additions in Accordance with a General Plan of Development. The Developer covenants that the addition of property contemplated hereby is in accordance with the General Plan of Development prepared prior to the sale of any Lot in the Sweetwater Country Club Development Property (a copy of said General Plan of Development is on file at the Zoning Department of Orange County, Florida).

(c) Mergers. Upon a merger or consolidation of the Association with another association as will be provided in its Articles of Incorporation, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association, or, alternatively, the properties, rights and obligations of another

The surviving or consolidated association may administer the covenants and restrictions established by the Original Declaration and the Supplemental Declarations upon the Existing Properties together with the covenants and restrictions established by Supplemental Declaration upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration within the Subject Property, except as hereinafter provided.

Section 3. General Provisions Regarding Additional Property. Regardless of the above method used to add additional property to the terms and provisions of this Declaration, no addition shall revoke or diminish the rights of the owners of the properties to utilize the Common Property as established hereunder except to grant to the Owners of the Properties being added the right to use the Common Property as established hereunder and the right to proportionately change voting rights and assessments, as hereinafter provided.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS  
IN THE ASSOCIATION

Section 1. Membership.

(a) Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a Member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of any obligation shall not be a Member. A builder or developer who in its normal course of business purchases a Lot for the purpose of constructing a Living Unit or Multifamily Structure thereon for resale shall not become a Member of the Association so long as such builder or developer does not occupy the Living Unit as a residence. Only those persons who purchase a Lot and improvements thereon during or after completion of construction and the Developer shall be Members.

(b) For the purpose of this Article the Developer shall be considered the record Owner of a fee interest in and therefore a Member in regards to all unsold Lots and Living Units either developed or contemplated in the Sweetwater Country Club Development Property. The Developer has filed with the Zoning Department of Orange County, Florida, the Sweetwater Country Club PD Plan which calls for development of a total of 395 Living Units. The Developer shall have the Voting Rights described in Section 2 of this Article in regards to the number of planned Living Units on file with the Zoning Department, as the number may be amended from time to time.

(c) The Developer shall also have the Voting Rights to all Lots owned by persons or entities not entitled to Membership as herein defined.

Section 2. Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all those Owners as defined in Section 1 with the exception of the Developer. Class A Members shall be entitled to one vote for each Living Unit in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Living Unit, all such persons shall be Members, and the vote for such Living Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Living Unit.

Class B. Class B Member shall be the Developer. The Class B Member shall be entitled to four votes for each Lot or Living Unit in which it holds the interest required for membership by Section 1 and for each Lot and/or Living Unit contemplated to be developed in the Sweetwater Country Club Development Property, provided that the Class B membership shall cease and become converted to Class A membership when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, at which time the Class B membership shall be determined to be a Class A membership and entitled to vote as such.

#### ARTICLE IV

##### PROPERTY RIGHTS IN THE COMMON PROPERTY

Section 1. Use of Common Property. Subject to the provisions of Section 3 of this Article, every Member shall have a right and easement of enjoyment in and to the Common Property and such easement shall be appurtenant to and shall pass with the title to every Lot and/or Living Unit.

Section 2. Title to Common Property. The Developer may retain the legal title to the Common Property until such time as it has completed improvements thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same. The Developer may convey or turn over certain items of the Common Property and retain others. To illustrate, the Developer may, at its discretion, immediately turn over all landscaped beautification areas, street lights, or such other items to the Association upon completion of same without turning over to the Association certain other Common Property. Notwithstanding any provision herein to the contrary, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey all Common Property located within The Properties when the Developer has legally conveyed to Owners one hundred percent (100%) of the Lots within The Properties.

Section 3. Extent of Members' Rights. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Developer and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Property, and in aid thereof, to mortgage said property. In the event of a default upon any such mortgage the lender shall have a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment

by the Members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage debt is satisfied whereupon the possession of such properties shall be returned to the Association and all rights of the Members hereunder shall be fully restored; and,

(b) the right of the Association to take such steps as are reasonably necessary to protect the Common Property against foreclosure; and,

(c) the right of the Association, as provided in its Articles and By-laws, to suspend the enjoyment right of any Member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations; and,

(d) the right of the Association to charge reasonable admission and other fees for the use of the Common Property; and,

(e) the right of the Association to dedicate or transfer all or any part of the Common Property to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided, however, that no such dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless written notice of the proposed agreement and action thereunder is sent to every Member at least ninety (90) days in advance of any action taken; and unless an instrument signed by Members entitled to cast in accordance with Article III, two-thirds (2/3) of the votes of the membership has been recorded, agreeing to such dedication, transfer, purpose or condition; and

(f) the rights of Members of the Association shall in no wise be altered or restricted because of the location of the Common Property in a phase of The Properties in which such Member is not a resident. The Common Property shall be used by the membership, notwithstanding the section of The Properties in which the Lot is acquired.

(g) Limited Common Property shall be used only by those Owners specifically authorized in the Original Declaration, or any Supplemental Declaration, to use the Limited Common Property.

#### ARTICLE V

and transfer the same to Owners, to enter upon the Lots owned by others, or to have utility companies enter upon the Lots owned by others, in or upon which said connections, lines or facilities, or any portion thereof lie, to repair, replace and generally maintain said connections as and when the same may be necessary as set forth below.

(b) Wherever sanitary sewer house connections, water house connections, electricity, gas, telephone and MATV lines or drainage facilities are installed within the Subject Property, which connections serve more than one (1) Lot, the Owner of each Lot served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as service his Lot. In the event that an Owner or a public utility company serving such Owner enters upon any Lot in furtherance of the foregoing, it shall be obligated to repair such Lot and restore it to its condition prior to such entry.

Section 2. Construction and Sales. There is hereby reserved to the Developer, its successors and assigns, including, without limitation, its sales agents and representatives, for the purpose of development, and their successors in interest, and prospective purchasers of Lots together with the right in the Developer, its successors and assigns, to grant and transfer the same, over the Common Property as the same may from time to time exist, easements for construction, display, maintenance, and exhibit purposes in connection with the erection and sale of residential dwelling units within the Subject Property; provided, however, that such use shall not be for a period beyond the earlier of (i) five (5) years from the conveyance of the first Lot to an Owner; or (ii) the sale of all Lots to Owners; and provided further, that no such use by the Developer and others shall otherwise restrict the Members in the reasonable use and enjoyment of the Common Property.

Section 3. Common Property. There is hereby reserved to the Developer, its successors and assigns, together with the right to grant and transfer the same to the Owners, a non-exclusive easement for recreational purposes over the Common Property. Such easement, which is hereby granted to any Owners as deferred herein, shall be subject to the rights of the Association with regard to the Common Property as set forth in Article IV hereof entitled "Property Rights in the Common Property" and subject further to the rights and obligations set forth herein.

Section 4. Utilities. Easements over the Subject Property for the installation and maintenance of electric, telephone, MATV, water, gas, sanitary sewer lines and drainage facilities as shown on the recorded plat of the Subject Property are hereby reserved by the Developer, its successors and assigns, together with the right to grant and transfer the same.

Section 5. MATV. There is hereby reserved to the Developer, its successors and assigns, over the Subject Property, together with the right to grant and transfer the same, the right to implace on, under or across the Subject Property, transmission lines and other facilities for a master antenna television system and thereafter to own and convey such lines and facilities and the right to enter upon the Subject Property to service, maintain, repair, reconstruct

and replace said lines or facilities; provided, however, that the exercise of such rights does not unreasonably interfere with any Owner's reasonable use and enjoyment of his Lot.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot who is also a Member by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as are hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities which have been constructed, installed or furnished or may subsequently be constructed, installed, or furnished, which are devoted to the purpose and related to the use and enjoyment of the Common Property and of the homes situated upon The Properties, including, but not limited to:

(a) Payment of operating expenses of the Association;

(b) Lighting, improvement and beautification of access ways and easement areas, and the acquisition, maintenance, repair and replacement of directional markers and signs and traffic control devices, and costs of controlling and regulating traffic on the access ways, including, but not limited to, lighting, lighting maintenance, improvement and beautification along: (i) State Highway #434, from Interstate Highway 4 to the intersection with the Wekiwa Springs Road; (ii) along Wekiwa Springs Road to the Orange County line; and (iii) the Piedmont-Wekiwa Springs Road from the Orange County line to State Highway 436. Specifically, the Association is authorized to allocate up to a maximum of twenty percent (20%) of the original assessment and annual assessment, as hereinafter defined, toward those items in this paragraph (b) and toward the repayment of the costs of such initial improvements, such allocation to be done by the Association on an equitable basis considering the use of the roads by residents and guests of other Sweetwater developments;

(c) Maintenance, improvement and operation of drainage easements and systems;

(d) Management, maintenance, improvement and beautification of parks, lakes, ponds, buffer strips, and recreation areas and facilities and all other Common Property, and improvements thereon;

(e) Garbage collection and trash and rubbish removal but only when and to the extent specifically authorized by the Association;

(f) Providing police protection, night watchmen, guard and gate services, but only when and to the extent specifically authorized by the Association;

(g) Repayment of deficits previously incurred by the Association, if any, in making capital improvements to or upon the Common Property, and/or in furnishing the services and facilities provided herein to or for the Owners and Members of the Association.

(h) Repayment of funds and interest thereon, which have been or may be borrowed by the Association for any of the aforesaid purposes.

(i) Doing any other thing necessary or desirable, in the judgment of the Association, to keep The Properties neat and attractive or to preserve or enhance the value of The Properties, or to eliminate fire, health or safety hazards, or, which in the judgment of the Association, may be of general benefit to the Owners.

Section 3. Original, Annual and Service and Maximum Assessments.

(a) Original Assessment. The original assessment shall be Seven Hundred Fifty Dollars (\$750.00) per Living Unit (to be paid by the Owner at time of closing on each Living Unit). The Association may use any part or all of said sum for the purposes set forth in Section 2 of this Article. In addition, the Owner shall pay at the time of closing, an original assessment of Two Hundred and Fifty Dollars (\$250.00) per Living Unit to the Developer, or a company designated by the Developer, providing MATV service, which amount shall represent the cost of running underground sound cable from the property line to the Living Unit and the installation of four (4) outlets for the MATV system. No outside or roof-top antenna of any type may be installed. All Owners must subscribe to the MATV system.

(b) Annual Assessment. The initial annual assessment shall be Two Hundred Dollars (\$200.00) per Living Unit, payable semi-annually on April 1 and October 1 of each year. This annual assessment shall be in addition to the above mentioned original assessments and shall be prorated in the year of initial purchase by the Owner. Said assessment shall be paid directly to the Association, to be held in accordance with the above provisions. The Association may adjust the annual assessment after the end of each Calendar Year. Such adjustment shall be in accordance with changes in the Consumer Price Index (hereinafter called the "Price Index"). The Price Index shall mean the average for "all items" shown on the "U.S. city average for urban wage earners and clerical workers (including single workers), all items, groups, subgroups and special groups of items" as promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor, using the 1967 annual average with a base of 100.

The annual assessment shall be adjusted in accordance with the following provisions:

- (1) The Price Index for March, 1977 shall be designated the Base Price Index;
- (2) Promptly after the end of the first year and each year thereafter, the annual assessment shall be adjusted so that the ratio of the Price Index for the first month following the end of each such year to the adjusted annual assessment shall be the same as the ratio of the Base Price Index to the initial annual assessment;
- (3) No adjustment whatever shall be made in the annual assessment for any year unless the adjusted annual assessment computed as above provided varies by more than one percent (1%) from the then current annual assessment;
- (4) No adjustment shall be made which increases the annual assessment for any year more than ten percent (10%) from the previous annual assessment;
- (5) No adjustment shall reduce the annual assessment below the initial annual assessment.

If the Association claims to be entitled to an adjustment in the annual assessment in accordance with the above provisions, it shall send a notice to the Owners setting forth the new annual assessment claimed to be payable. Such notice shall be sent at least sixty (60) days prior to the date the annual assessment is payable.

In the event that a substantial change is made in the method of establishing the Price Index, then the Price Index shall be adjusted to the figure that would have resulted had no change occurred in the manner of computing such Price Index. In the event that such Price Index (or its successor or substitute index) is not available, a reliable governmental or other nonpartisan publication evaluating the information heretofore used in determining the Price Index shall be used in lieu of such Price Index.

(c) Service Assessment. Each Owner shall pay a service and maintenance assessment of Six Dollars (\$6.00) per month commencing on the date of closing, which amount shall be payable quarterly. Said assessment shall be paid directly to Developer in consideration for the availability and servicing of the MATV system.

(d) Maximum Assessment. The Board of Directors of the Association may, after consideration of current maintenance cost and future needs of the Association, fix the annual assessment for any year at a lesser amount than the previous year. Also, the maximum annual assessment may be increased by a vote of the Members, as hereinafter provided.

Section 4. Special Assessments for Capital Improvements.  
In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common

Property, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Class A Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting. Any portion of such special assessment which is for the cost of repair, etc., of any Limited Common Property shall be voted on by only the Owners entitled to use such Limited Common Properties and only such Owners shall be required to pay such portion of the special assessment.

Section 5. Change in Maximum of Annual Assessments. In addition to the procedure provided in Section 3 hereof, the Association may change the maximum assessments prospectively for any such period, provided that any such change shall have the assent of two-thirds (2/3) of the votes of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article III, Section 2 hereof. The votes shall be counted in accordance with Article III, Section 2 hereof.

Section 6. Quorum for any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 of this Article shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 of this Article, the presence at the meeting of Members, or of proxies, entitled to cast sixty (60%) percent of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5 of this Article, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Certificate of Payment. The Association shall upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-Payment of Assessment. If the Assessments are not paid on the date when due, then said assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof as are hereinafter provided, thereupon become a continuing lien on the Living Unit which shall bind such Living Unit in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not

pass to his successors in title unless expressly assumed by them, or unless the Association causes a lien to be recorded in the Public Records giving notice to all persons that the Association is asserting a lien upon the Living Unit.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Living Unit, and there shall be added to the amount of such assessment, interest, together with the costs of the action, including legal fees, whether or not judicial proceedings are involved, also including legal fees and costs incurred on any appeal of a lower court decision.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage now or hereafter placed upon the Living Unit subject to assessment. This subordination shall not relieve such Living Unit from liability for any assessments now or hereafter due and payable.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Property as defined in Article I, Section 1 hereof; and (c) all properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

#### ARTICLE VII

##### ARCHITECTURAL REVIEW BOARD

No building, fence, wall or other structure shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Board as hereinafter defined.

Section 1. Composition. The Developer, upon the recording of the Declaration for SWEETWATER COUNTRY CLUB, UNIT-I, PHASE-I, immediately formed a committee known as the "Architectural Review Board", hereinafter referred to as "ARB", consisting of five (5) persons designated by the Developer, including an architect selected by the Developer. The ARB shall maintain this composition until control of the Association has been passed to the Owners other than the Developer. At such time the ARB shall be appointed by the Board of Directors of the Association and shall serve at the pleasure of said Board. Provided, however, that in its

selection, the Board of Directors of the Association shall be obligated to appoint the Developer or his designated representative to such Board for so long as Developer owns any Lots in The Properties or has not completed the General Plan of Development for the entire area owned by Developer. The Board of Directors shall also be obligated to appoint at least one (1) architect and one (1) Member of the Association to the ARB. Neither the Association, the Board of Directors of said Association, nor the Members of the Association, shall have the authority to amend or alter the number of members of the ARB which is irrevocably herein set forth as five (5) members. A quorum of the ARB shall be three (3) members. No decision of the ARB shall be binding without a quorum present and a 2/3, 3/4 or 3/5 affirmative vote by the Members.

Section 2. Planning Criteria. The Developer, in order to give guidelines to Owners concerning construction and maintenance of Living Units, hereby promulgates the ARCHITECTURAL REVIEW BOARD PLANNING CRITERIA ("Planning Criteria"), for the Subject Property, a copy of which is attached as Exhibit "A". The Developer declares that the Subject Property shall be held, transferred, sold, conveyed and occupied subject to the Planning Criteria set forth on Exhibit "A", as amended from time to time by the ARB.

Section 3. Duties. The ARB shall have the following duties and powers:

(a) to amend from time to time the Planning Criteria. Any amendments shall be set forth in writing and be made known to all Members and to all prospective Members of the Association. Any amendment shall include any and all matters considered appropriate by the ARB not inconsistent with the provisions of this Declaration;

(b) to approve all buildings, fences, walls, pools or other structures which shall be commenced, erected or maintained upon The Properties and to approve any exterior additions to or changes or alterations therein. For any of the above, the ARB shall be furnished plans and specifications showing the nature, type, shape, height, materials, and location of the same and shall approve in writing as to the harmony of the external design and location in relation to surrounding structures and topography;

(c) to approve any such building plans and specifications and Lot grading and landscaping plans, and the conclusion and opinion of the ARB shall be binding, if in its opinion, for any reason, including purely aesthetic reasons, the ARB should determine that said improvement, alteration, etc. is not consistent with the development plan formulated by the Developer for The Properties or contiguous lands thereto;

(d) to require to be submitted to it for approval any samples of building materials proposed or any other data or information necessary to reach its decision;

(e) to require each builder to submit a set of plans and specifications to the ARB prior to obtaining a building permit, which set of plans and specifications shall become the property of the ARB. The work contemplated must be performed substantially in accordance with the plans and

specifications as approved. All approvals of plans or specifications must be evidenced by the signatures of at least two (2) members of the ARB on the plans or specifications furnished. The existence of the signatures of at least two (2) members of the ARB on any plan or specification shall be conclusive proof of the approval by the ARB of such plans and/or specifications.

Section 4. Enforcement of Planning Criteria. In addition to the other duties set forth above, the ARB, along with the Developer and/or the Board of Directors of the Association shall have the right and obligation to enforce the provisions hereof relating to the Planning Criteria, as amended from time to time by the ARB or the Association. Should any Owner fail to comply with the requirements hereof, or of the Planning Criteria after thirty (30) days written notice, the ARB, the Developer, and/or the Board of Directors of the Association shall have the right to enter upon the Lot, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Planning Criteria, and charge the cost thereof to the Owner. Should the ARB, the Developer, and/or the Board of Directors be required to enforce the provisions hereof by legal action, the reasonable attorney's fees and costs incurred, whether or not judicial proceedings are involved, including the attorney's fees and costs incurred on appeal of such judicial proceedings, shall be collectible from the Owner. The ARB, the Developer and the Board of Directors of the Association, or its agents or employees, shall not be liable to the Owner for any damages or injury to the property or person of the Owner unless caused by negligent action of the ARB, the Developer or the Board of Directors.

##### EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Properties, the Association shall have the right to provide exterior maintenance upon any vacant Lot or upon any Living Unit, subject, however, to the following provisions. Prior to performing any maintenance on a vacant Lot or Living Unit, the Association shall determine that said property is in need of repair or maintenance and is detracting from the overall appearance of The Properties. Prior to commencement of any maintenance work on a Lot, the Association must furnish thirty (30) days prior written notice to the Owner at the last address listed in the Association's records for said Owner, notifying the Owner that unless certain specified repairs or maintenance are made within said thirty (30) day period the Association shall make said necessary repairs and charge same to the Owner. Upon the failure of the Owner to act within said period of time, the Association shall have the right to enter in or upon any such Lot or to hire personnel to do so to make such necessary repairs or maintenance as are so specified in the above written notice. In this connection the Association shall have the right to paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements.

Section 2. Assessment of Cost. The cost of such exterior maintenance shall be assessed against the Lot upon

Provided that the Board of Directors of the Association, when establishing the annual assessment against each Living Unit for any assessment year as required under Article VI hereof, may add thereto the estimated cost of the exterior maintenance for that year but shall, thereafter, make such adjustment with the Owner as is necessary to reflect the actual cost thereof.
